Blantyre Malawi

Many wonderful things are transpiring in southern Africa. God is pouring out His spirit and many are coming into the fulness of the truth. They are tired of religiosity and are hungry for a relationship.

We recently asked for prayer and support for the purchase of a vehicle. God has met that need through your generosity. Thank you so much for your burden and willingness to be a vessel that God can use.

We were able to travel to the country of Malawi in May and visit both the southern and northern regions. In the north, we had minister training by day and revival by night. God filled over 20 people with His spirit, He healed 40 people, and 78 were baptized in Jesus name.

Our quarterly Minister's Conference was held in July. Our focus was on strengthening the family. The men left that meeting determined to fight back against the attack on the family.

The Harvest is Plenteous!!!

God Bless,
