20 new souls baptized in Jesus' name

Pastor Felix Gama and the churches in southern Malawi

South Africa is hungry for the truth

Voice of Hope radio listeners hearing the New Birth

Greetings in the name of Jesus. We trust that God has been visiting your churches in the same manner He has been visiting us in southern Africa. He is able to do the same thing for your labors as He is doing in any foreign field. Please know we pray for each of you regularly that God would bless and keep you.

Revival continues to grow in the respective countries we are working in. Reports come in regularly from various African pastors of people being filled with the Holy Ghost and being baptized in the only saving name of Jesus! Revival in northern Malawi continues to grow since the April crusade. The message of the new birth still works!

The October Doctrinal and Leadership Conferences were held in the city of Nelspruit South Africa. Bro. and Sis. Timms, from Bryan TX, joined us for these meetings. Bro. Timms followed the Holy Ghost and after a stirring gospel message, many of the pastors there came to an altar and repented of teaching tradition rather than the truth. Twenty of those who came to the conference were baptized and now desire to know more about the Apostolic doctrine and lifestyle.

We love and appreciate each of you very much. All of your calls and messages are so encouraging to us. With today's technology, those communications are free even though we are on the other side of the world. If you would ever like to reach out, please know it is a treat, you are not a bother to us.

The Harvest is Plenteous!!!

God Bless,
Missionary Jessie Stewart
