Greetings in the mighty name of Jesus. Even when we cannot see it, He's working! Though the challenges seem insurmountable and opposition innumerable, God has a plan. We are humbled to be a small part of the "Book of Acts" miracles, signs, and wonders God is performing in Africa.

The revival in Zambia continues to thrive. Each time we gather, new pastors who have received this Apostolic message are joining in our training. It is exciting to see them growing in the grace and knowledge of our Lord. These good men are working diligently to go and teach those things which they were taught. To further their development, we have been diligently looking to purchase a property for nearly 2 years.

We are excited to announce that God has opened a door for us to purchase a church with all the necessary space to have service and train pastors. Please be in prayer with us concerning this momentous occasion as it is imperative in the continued growth of the men we are reaching. If God moves on you to partner with us in this endeavor, we would greatly appreciate it. We need to raise \$180,000 very quickly to secure this opportunity.

We have just concluded a "Thy Word is Truth" conference in the city of Johannesburg, South Africa to reach new pastors. What a powerful move of the Spirit! Many received the gift of the Holy Ghost and were baptized in Jesus' name. Immediately following the conference, they contacted me to discuss the changes they were already making in their life and ministry.

The Harvest is Plenteous!!!

God Bless,
