

# AFRICA MISSIONS

STEWART FAMILY  
SEPTEMBER 2024

Greetings in the mighty name of Jesus. As the work of God continues to unfold in Africa, I stand amazed. I find myself thanking God frequently for the things He is doing. He is able to finish EVERYTHING He starts.

The purchase of the new headquarters church in Johannesburg has been completed. We are nearly finished with Phase 1 of the remodel. You can imagine the many surprises we have discovered as we peel back the layers of a building that is over 70 years old. The improvements are stunning and we look forward to our first official service there.

In July, a man from Kenya who oversees many works contacted a Missionary on another continent who directed him to us. After prayer and many conversations with him, I traveled to his church and began to teach him and those under his ministry. God poured out His Spirit and His mercy upon that work. That man publicly denounced many false teachings he had embraced and went back into the water to be baptized in the name of Jesus!

In August we were honored to have Pastor Hilton and Bishop Rikken traveling with us to the Northwest Province of South Africa to hold a Pastor's Conference. Many key individuals from that region were there and 25 were baptized in that meeting.

Another significant update is that we have identified a Mission House to purchase in Johannesburg and we trust God is going to provide for this need. This house would more than suit our family's needs as well as those who frequently visit this work. It is ideally located near the new headquarters church in a safe area. We ask that you prayerfully consider supporting this opportunity.

The Harvest is plenteous!!! God, send laborers.
