

AFRICA MISSIONS

STEWART FAMILY

APRIL 2025

Greetings in the mighty name of Jesus. God has opened a number of "great and effectual" doors in the southern region of the African continent. The excitement continues to build as the revival spreads.

The January kickoff of the headquarters church in Johannesburg went very well. Nearly every service since the first, we have had first-time guests in service with us. With over 7 million people in this city, we anticipate the momentum to continue.

In February, we were in the city of Lusaka, Zambia. It is the rainy season there, and many were experiencing flooding in their homes. Despite these tragedies, the saints of God attended a two-night crusade where God poured out the Holy Ghost on three brand new souls, and five were baptized in the name of Jesus!

Weekly and monthly training is taking place online and in person to establish those who are receiving this great message of truth. Faithful saints and preachers who are being taught are teaching those who we cannot reach personally. Throughout the seven countries we are laboring, testimonies of baptisms, miracles, and great revival come in regularly.

The Harvest is plenteous!!! God, send laborers.

God Bless,
The Stewart Family
