

AFRICA MISSIONS

STEWART FAMILY

OCTOBER 2025

Greetings in the mighty name of Jesus. An old song resonates within me as I draft this newsletter. "There is no telling what God can do if you believe!" We serve a God who is "from everlasting to everlasting," and what a privilege it is to believe in and serve the one who never fails!

The regional African leaders and saints continue to learn and share the teachings they have received. I was recently called to baptize the family members of a young girl who lives 4 hours east of Johannesburg. She led them through the scriptures to an understanding of what the Bible teaches on the subject of salvation. Her excitement and dedication are contagious and faith-building.

In September, we felt led to host a revival with evangelist Joey Waldrep. He and his wife have been such a blessing to the headquarters church. While lengthy revival services are uncommon in Africa, we had an amazing response. God poured out His Spirit, and many new saints were added to the church weekly.

The capstone of the revival in September was our building dedication and anniversary services. Over 150 people from 8 different nations were present to celebrate what God is doing in Africa. My heartfelt thanks to all who made the sacrifice to come, and I know God will richly reward you.

Lastly, we are excited to announce the marriage of our son (Hayden) and sister Makayla Dudley. This couple will begin their lives together on October 30th, working and living as full-time missionaries here in Africa. Please hold them up in prayer as they begin this new journey. If you feel to support them, you can do so through the same means you currently support our family.

The Harvest is plenteous!!! God, send laborers.
God Bless,
The Stewart Family
